Thumbs up: Cricket sweeping across Indiana

Indiana schools are taking an interest in cricket. According to Indiana Youth Cricket, eight Indiana schools, including Avon Middle School, Carmel's Prairie Trace Elementary and Franklin Township Middle School East have started cricket programs for kids. The organization says many other Indiana schools have shown interest in the sport, which it says is the fastest growing in the state. INYC says it can provide free cricket equipment and instruction and encourages anyone interested in learning about the sport to send an email to [inyouthcricket@gmail.com](mailto:inyouthcricket@gmail.com).
