Greetings,

I want to personally congratulate you and your team of volunteers with the Indiana Youth Cricket organization for the great strides you have made to introduce the sport of cricket to schools across the Hoosier state. Your accomplishments are a testament to your passion and strong work ethic.

Your dedication to sports education is exemplary to the community schools that you serve and the state as a whole. For these reasons, I believe you to be a true leader and role model to young Hoosiers everywhere.

As you continue to grow in your educational endeavors, I encourage you to keep a servant's heart. A servant leader listens before he leads and considers the needs of others before his own. Surround yourself with fellow servant leaders and prioritize integrity in your organization, and I believe you will continue to find success in your career.

Again, congratulations on your accomplishments. I wish you all the best in your future endeavors.

Sincerely,

Michael R. Pence  
Governor of Indiana
